This document does not constitute an offer of services in jurisdictions where ACMIIL does not have the necessary licenses ACMIIL does not make any express/implied warranties with respect to the indices/securities recommended and shall have no liability for any damages, claims, losses or expenses caused by errors in calculation. ACMIIL makes no representations regarding the advisability of investing in options on the index or any securities recommended by it. This communication is not an offer to sell or a solicitation to buy the securities mentioned. The information relating to any company mentioned herein is derived from publicly available sources and ACMIIL makes no representation as to the accuracy and completeness of the information. Due to the compounding of returns, returns over periods for a day or more may differ in amount and direction from the target return for the same period. These effects may be more pronounced in funds with larger or inverse multiples and/or in funds with volatile benchmarks. This communication is confidential and is intended solely for the addressee. This document and any communication within it is void 30 days from the date of this presentation. This document would also become void before the expiry of the aforesaid 30 days, in case of change in applicable regulations. This document should not be forwarded to any other person or copied/reproduced/distributed without the express permission of ACMIIL or its specified associates. Please notify ACMIIL in case you have received this document in error. This communication is not an offer to sell or a solicitation of an offer to buy/sell/deal in any securities/indices discussed herein. The material and information contained herein is for informational purposes only.

Past performance is not indicative of future performance and future results. It is not possible to invest directly in an index. ACMIIL does not sponsor, endorse, sell or promote any investment fund or other investment vehicle that is offered by third parties and that seeks to provide an investment return based on the performance of any index. However, the recommendations made by ACMIIL could be those that are based on its own research or on the advice of a SEBI registered Investment Adviser. Any performance/returns presented here or separately are based on model client portfolios created for strategy evaluation. Portfolio performances are post-expenses. Individual returns of Clients for a particular portfolio may vary significantly from the performance of the other portfolios. No claims may be made or entertained for any variances between the performance depictions and individual portfolio performance.
